

## OUR FEATURES

### CENTRAL DASHBOARD

Provides a central dashboard for locating and managing all the assets in a facility.

### DIGITAL INSPECTIONS

Digitizes and captures the inspections and inspection history for each asset.

### EARLY WARNING

Sends early warnings for coming due, and overdue inspections.

## Facilities IQ

- [info@facilitiesiq.com](mailto:info@facilitiesiq.com)
- (412) 956.2900
- [www.myfacilitiesiq.com](http://www.myfacilitiesiq.com)

## A SINGULAR DIGITAL ECOSYSTEM

for managing the many physical assets in a **commercial** or **industrial** facility

## OUR BENEFITS

### 1. LOWER COST

Fewer individuals needed to manage, track, monitor, and maintain assets.

### 2. IMPROVED COMPLIANCE

Know at a glance the status of all of the assets in the facility.

### 3. FEWER COSTLY EMERGENCIES

significantly reduce cost of rushed emergency repairs.

### 4. ELECTRONIC RECORDS

Put an end to paper records and enter a new era of facilities management.
